REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The closest prior art of record fail to teach or suggest an apparatus for positioning a suture anchor comprising a tubular member having an anchor movably disposed therein for insertion into body tissue. The prior art further lack the limitation of a pusher member to move the anchor relative to the tubular member and wherein the distal end is operable from a closed to open condition; and further, wherein the tubular member includes a pointed end in the closed configuration capable of piercing imperforate body tissue.

For these reasons the claims are believed to be allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Jackson whose telephone number is (571) 272-4697. The examiner can normally be reached on Mon.-Thurs. 7:30 am to 6:00 p.m.
